INSTALACIÓN DEL MÓDULO MA/MAV COMPACT

MA/MAV BLOCK INSTALLATION

- 1.- Coloque la chapa rejilla en el hueco del perfil.
- 1.- Quite los seguros del bloque MA/MA.
- 1.- Encarelo con la rejilla y apriete con ambas manos hasta que oiga el ruido de las pestañas encajando en el perfil.
- 1.- Ponga los seguros del bloque.

1. Place the grid-plate in the aluminium profile hollow.
2. Remove the lock catches of the MA/MAV block.
3. Face it up to the grid-plate and push with both hands until the noise of the flags fixing in the profile is heard.
4. Fix the lock catches of the block.
